

Nether Loirston Growers Association

Community Garden and Allotments all set to flourish!

Since the last Chronicle, we have made huge strides forward and work on constructing the site at the back of Altens Community Centre is now underway.

(see front page) If all goes according to plan, we should be starting to sow our seeds during April.

The site has been leased to Nether Loirston Growers Association (NLGA) by Aberdeen City Council for a minimum period of 5 years from February 2011.

The benefits of gardening and growing

your own food are many from increasing your physical activity and contributing to having a healthy diet for you and your family.

We would like to extend our sincere thanks to Balmoral Tanks, J & G Collie, Doonies Farm, The Woodland Trust and Cllr Neil Cooney for their sponsorship and support.
