

ROYAL AIR FORCE AIR CADETS the next generation

Cadet Flight Sergeant Stuart Whitehead, a Cove resident, from 107 (Aberdeen) Squadron has successfully passed a Regional Selection Board for the International Air Cadet Exchange 2011. He will now represent Scotland & Northern Ireland Region on this year's exchange as he jets off across the globe to Canada.

The International Air Cadet Exchange links air minded youth organisations across the world on a fifteen day exchange visit each year through July and August and is a prestigious opportunity to meet Cadets from all over the world in a cultural, adventurous and entertaining programme of events with an aviation theme.

Cadet Flight Sergeant Whitehead said: "It's astonishing that I was the only Cadet in Scotland being offered this opportunity. I'll be starting University later this year, so the experience of living away in an unfamiliar setting with the support of friendly and outgoing people will prove invaluable."

107 (Aberdeen) Squadron parades Monday and Wednesday evenings (7pm - 9.30pm)
