## New Management Committee Formed

**Following on from months of ‘behind the scenes’ work by a group of volunteers who formed the Loirston Annexe Steering Group, I’m delighted to announce that we’ve moved one stage closer to forming a constituted Management Committee.**

After the public meeting on 17th January, a number of new volunteers came forward and at the open meeting on 15th February, three Office Bearers were voted in post :

Nicola Wood, Treasurer  
Karen Strachan, Secretary***

Another 6 volunteers have formed the remainder of the Management Committee with a few others kind enough to give up some of their time on an ad hoc basis. Sincere thanks to all who have taken us this far and to those who continue to do so.

*However, the hard work doesn’t stop there. As a result of changes to the childcare provision within the Annexe, some of the fees have increased so the Management Committee are currently looking at ways in which we can subsidise the cost – we’ll keep you posted but if you have concerns, please let us know so we know what course of action to take.*

We’re also creating a new Loirston Annexe website, updating the Facebook page and yes, we’re even going to venture into the world of Twitter and LinkedIn so please search for us through all forms

of media and let us know what you want from your community centre.

Next month we’ll be posting a ‘What’s On’ update for Loirston Annexe and ***remember the large hall and cafeteria are available to hire for birthday parties or celebrations.***

We’re also hoping to celebrate the Queen’s Diamond Jubilee with a range of activities at the Annexe, if funding is provided. This could be anything from a childrens’ party to a coffee morning. Any suggestions will be gratefully received and considered. Perhaps you’d like to volunteer and get involved in this?

**In the meantime, it’s very much business as usual for Loirston Annexe with the Breakfast and After School Club, Brownies, Rising 2s, Rising 5s, Rainbows, WRI, Tai Chi, Artists ... and more.**
