

CHRISTIAN AID IN COVE 2013

Christian Aid Week is coming up... **from 12-18 May**. We hope to have our coffee stall outside the shops. Look out for posters round Cove of other events which we will put on-line too under Christian Aid in Scotland.

This year we will hear some great examples of how the money you donate is being used to help our partners in countries like Bolivia, Kenya and Zimbabwe; they are moving from mere surviving to the road to thriving !
That's good news!

A message from Kathy Galloway, head of Christian Aid in Scotland;-
“ During 2013, Christian Aid will be playing a major role in a nationwide campaign against hunger, to be known as the IF Campaign :- Enough Food for Everyone IF.....This movement, involving many international development agencies, churches and people of goodwill around the country, believes that hunger, in a world which has enough food for everyone, is a scandal, and must be challenged. Christian Aid Week is a central part of our commitment to overcoming poverty and ending the agony of hunger, and your efforts will be at its heart. ”

Looking forward to how we in Cove can have our part in this.
