Our Cove Boys Club U15's 1998 - Coaches Ludie Barrack & Ian Kelman recently held an 80's fancy dress disco round at the Cove Rangers Social Club. It turned out to be a cracking night and resulted in them raising £2,600! Many thanks to all who came along and supported them. They were raising money to take the team to the Preston Easter Tournament which is a full on weekend of football.

We have been continuing with our Skills Sessions down at the ASV which has been a great success, with over 40 players now from the 2001 – 2006 age groups participating. The block is coming to an end shortly but I am sure since it's been a great success more sessions will be organised in the future with hopefully even more players. So keep up with the homework sheets and don't be scared to use the skills learned during matches boys!

The North Loirston Pitch has held out well with the current weather which is a good thing as we now have 3 more 7v7 teams which have come up from the 4v4's festivals, giving us a total of 8 teams in this format which should be fun on a Sunday! Whilst speaking about the pitch we would like to thank Henderson & Dick Designs who are working along with us in providing signage for the area - sadly the first sign was for Quad bikes to keep off the pitch! Thankfully the damage was not too severe and we can continue to use the area as per normal. Thanks again Henderson & Dick Designs as it's the generosity through people like yourselves that help the club survive.

If you are a parent to one of the players and wish to help your team please ask a Coach if there is anything you can help with – it does make a difference.

**** Our new intake of players for Born in 2007 will be happening in the next few months so please look out for the flyers if your child may be interested ****

We now have Beanie Hats back in stock if anyone is interested in buying one please contact one of your Coaches or email website@coveboysclub.co.uk.
