

Christian Aid Week this year is from 10-16 May. Last year an amazing £12 million was raised throughout the country. Working in partnership with communities on the ground in the developing countries, this will have brought peoples' vision and hope for a more just future into the reality of concrete beginnings.

The country of focus this year is Ethiopia. To quote Kathy Galloway, Head of Christian Aid Scotland " This year's Christian Aid Week considers one of the greatest injustices of our times: discrimination against women. Women do two-thirds of the world's work, earn one third of the world's income and own only one percent of the world's property. " We will hear about how Christian Aid is helping resource change in this area.

Nearer Christian Aid week, we will get information into our local press about our local events. We hope to be around the community and we plan to have a cream tea at St Mary's shared church, Loriston Road, Cove Bay on Friday 15 May from 2pm-4pm."

To quote again from Christian Aid " Poverty is an outrage against humanity. It robs people of dignity, freedom and hope, of power over their own lives. Christian Aid has a vision- an end to poverty- and we believe that vision can become a reality, We urge you to join us."

If you are new to our area and would like to become involved in Christian Aid events in Cove, or have lived here for longer and feel the time is right now for you to become involved please do get in touch with either
