

LOIRSTON PRIMARY SCHOOL

Each term here at Loirston appears to go even quicker than the last. It is hard to believe that in a few weeks we will be approaching the Easter Break.

It has been another busy term here with lots going on.

We have had a focus this term on a number of improvements including restarting our Home Reading reward scheme, where pupils receive rewards for the number of books that they read. We aim to encourage all pupils in our school to develop a love of reading and be a school that enjoys to share a great variety of texts.

We also have teams competing at the end of this month in a Scottish Country Dancing competition/festival at the Music Hall. I am sure they will do well and enjoy the opportunity to compete at such a location. Many thanks to Mrs Beattie (our P7 teacher) and Mrs Cutler (our parent volunteer) who have been working hard training with our pupils.

During the last month we have also had our School Choir take part in the annual Rotary Concert at the Music Hall which was thoroughly enjoyed by all. Our choir performed well and it was good for them to have the opportunity to perform on such a large stage with a range of very talented musicians.

This term we are also doing our bit for a couple of charities – We have Red Nose Day on the 13th of March, where pupils will be dressing up and making their face “Funny for Money”.

We are also looking to support the Archie Foundation who are raising money to open up a surgical unit in Uganda. Children will be dressing up and also running a Tuck Shop during the week to support this cause.

Our Parent Council have been hard at work fund raising across our school . They have run a very successful Valentine Disco. They will also be running an Easter Bingo event on the 31st March at 6.30pm in the school. Please come along, there are many prizes to be won and the event really is fun. We look forward to seeing you there.

This term also sees the return of a routine event in the Loirston Calendar. We have our cooking Club running after school which is very well attended by Primary Six pupils. They have been learning to make some lovely dishes to enjoy and share.

As we approach Easter we would like to say a huge thank you to all in the cove community who support the work of the school. We really do appreciate it. Happy Easter when it comes.
