Home Ground

Well its finally been built! The first spade in the ground was the gala day on the 13th September and here we are a few months later painted, furnished and ready to be used – it's absolutely fantastic! The new pavilion comprises two changing rooms, one officials room, toilets, storage facilities and a multi-functional space that can be used for refreshments and tactical video analysis, so no longer will training be called off due to weather, we can now head indoors and work on tactics. This development supports the club's growth plans and provides a safe and comfortable environment for players and officials to prepare for matches and training sessions. The club is thriving and we hope that the facilities will encourage the whole community to come along and support the club on a Sunday morning. 7 v 7 games will be played from 9am – 1pm and if we have a 4 v 4 festival until 4pm. It's great to see the younger ones having fun.

If you are walking your dog up at the gateway, please **stick to the paths** and **pick up your business**.

We are now looking for our new 2010 intake of kids please contact Brian - cyfc.secretary@btinternet.com

Many thanks to the continued support from everyone involved with the club - we are always looking for volunteers so if you think you can help us please get in touch.
