

# Doonies Rare Breeds Farm News

Spring has sprung! With our first lambs and calves being born, it is all systems go for the Lennox family especially farmer Graham.

We have lovely brightly painted chicken huts that have a variety of different themes, thanks to a hard working volunteer who helps at the farm two days a week.

We hope the weather gets better in April, ready for opening the farm hopefully the fields will start to dry up, and grass begins to appear.

That's all our news for now folks; we

hope to see you all at the farm next month.

*The Lennox family.*
