

Friends of Old Cove

The Friends took part in a “Living Street” audit of the Old Cove Conservation Area, gathering people’s thoughts and feelings on conservation issues. We will collate the information at our next meeting on the first Monday in April. We have been warmly welcomed by the residents and many concerns are shared by everyone Things can only move forward with the will of the residents.

Even if you don’t live in Old Cove but feel you can help please get in touch with Hector Mackenzie, 01224 897560.

The Friends regularly meet on the first Monday of the month in the hospitable surroundings of the Cove Bay Hotel.
