

Doonies Rare Breeds Farm News

It's been a very busy winter and an even busier start to spring! Lambing and calving is fully underway - currently we have twenty lambs and nine calves at the farm, with a lot more to arrive.

We have also been hard at work with farm maintenance; have new signs up; a new pay kiosk and the chicken hutches have been painted lovely new bright colours.

Make sure to follow the farm on Facebook or Instagram for the most recent updates and pictures of the new arrivals.
