

# Cove Gala 2011

Well, another Gala has come and gone.

Thanks must go to our Princesses, Rachael Rose and Robyn Prati, to our MC, Dave Macdermid, and to the many people who helped to make the day possible, especially John Lyon, Tommy Rae, Brian Angus, Colin Hird, Richard Bruce and Matt McDonald. Thanks also to our Sponsors and Stallholders, and to all who attended Gala Day itself, and the events leading up to it.

Unfortunately the weather was not kind to us, but the people of this area turned up regardless, and helped to make it a successful day. Funds raised at the Gala are distributed amongst the local Groups who participated, so the money stays in this area.

If you have any comments about this year's Gala, or would like to be involved in organising next year's one, please come along to our

AGM which will be held in September.

Finally, my grateful thanks to the Gala Committee for all their hard work and dedication. Again, a very small team have managed to work wonders to ensure that the Gala went ahead for the enjoyment of everyone.
