To kick off the superhero-themed Gala, the Oldmeldrum Pipe Band led the opening parade from Altens Community Centre through the streets of Cove, followed by the Blue Dynamite cheerleaders, Cove Boys Club and this year's gala princesses.

Spiderman and Batman also took some time out from crime-fighting to join the festivities and make sure the parade went without a hitch.

Once they made their way to the school, the princesses, Kera

from Loirston School and Molly from Charleston School, then cut the ribbon and opened the Gala.

With inflatables to climb, goals to score and even Tai-chi demonstrations, there were plenty of things to get hands-on with. And with stalls selling everything from shoes to sand art, people of all ages would have found the perfect souvenir to remember their day by.

However, it wasn't just Spiderman and Batman providing the superhero antics. The Blue Dynamite Cheerleaders' gravity-defying performance, the

super-strength of WrestleZone Scotland and Allan's Magic all drew in large crowds.

It always takes a superhuman amount of effort to produce the Gala every year and, once again, it turned into a great day for the whole family to enjoy.
