

# COVE SPORTS TRUST

**It is proposed, in order to advance an initiative to seek funding, and obtain land for the development of an all-weather sports facility for the community, located within the community, that a trust be set up.**

As such, there is a requirement to appoint a few trustees who will work as part of the Trust to advance this through to fruition.

No special skills are required, just an interest in getting involved to help bring some much needed facilities to the local area to benefit all of the residents across a wide range of sports activities.

*Interested persons can e-mail Raymond Davidson  
who is coordinating this initiative  
at [raydav@btopenworld.com](mailto:raydav@btopenworld.com)  
or by telephone, 07715-117485,  
for more information on what is required.*
