Welcome to our July input. I would like to thank all of the committee members who have recently assisted in the stall at the Cove Gala. This was a great opportunity for us to raise the profile of the annexe and what we do. It also provided the ideal opportunity for members of the committee and I to canvas members of the public to seek new members for the management committee, however despite a number of positive leads and contact details provided, none of these leads came to fruition. I appreciate we have busy lives, but if you have a few hours to give up once every two months to help develop your community centre and are interested and innovative, please do not hesitate to get in contact with me through the email address listed above.

The work for the RUBY garden project is now completed and we are extremely grateful to Stewart Milne as well as the public who voted for us to be fortunate enough to receive the awarding of the project. We are currently spending the fund raising money furiously to make the garden centre at an excellent facility. Watch the Facebook page for the grand opening.

This month sees the start of a new church group, The Peace House. They are a registered charitable church and are extremely active in supporting those less fortunate in life. I am sure everyone will make them feel welcomed and to be part of the community.

The centre continues to be extremely busy, especially during the summer holidays, and those who attend Kindergym will be benefit greatly from a large investment from our own funds to renew the equipment that the children use. This has been funded through the fundraising activities of our dedicated administrator. If you are not sure what is going on in the centre then visit our Facebook page or contact the administrator on loirstonannexe@yahoo.co.uk to be sure you don't miss out.

Sadly over the last few weeks the car park has been misused by a number of youths using their cars in anti social manner. We have raised the concerns passed to us by local residents to Police Scotland and will continue to work with residents and the Police to maintain the security of the centre. Should you see anything suspicious please report directly to Police Scotland on 101 or anonymously to Crimestoppers on 0800 555111

There is availability for parties, events or occasions, so please contact our administrator on the email listed above to discuss your needs.

Thank you for your continued support

Ash Forbes, Loirston Annexe Chairperson
