

Rare Breeds Farm

It's been very busy down at the farm this summer so far! We've been taking all of our sheep in for their annual pedicures and fleece clips – hopefully we will be shearing them all soon. The farm is also now open all summer and from the pictures our visitors have sent us, everyone is having a great time feeding the animals.

The team also attended Echt show with two Dartmoor sheep, a ewe and a lamb. We didn't win any prizes but the judge was surprised to see a Dartmoor as they are so uncommon in Scotland. It was a wonderful day out and we are showing again at Turriff show- fingers crossed we come back with some rosettes. If you are planning to attend Turriff come over to us and say hello!

We have also been working on transforming our Education Unit into a refreshment area for our visitors which will sell hot drinks and snacks – plus it is

somewhere to keep warm if the 'Doonies wind' makes an appearance.

For now, we are all looking forward to a lovely summer at the farm!

Doonies team
