

Doonies Rare Breeds Farm News

Spring has sprung at Doonies with lots of lambs, calves, and chicks!

We have had fourteen school visits to also keep us busy and on our toes with lots of farm questions.

The furthest away school that visited was the North Walls Community School who travelled all the way from Orkney on the ferry.

If you have seen on social media sites, we had a wee calf born whose mum did not have enough milk to support him. We are currently bottle feeding him four times a day and we are still looking for a name for him! Any suggestions please message our Facebook page!

Some of you also may have heard that we were getting a café at the farm. These plans are currently on hold due to the uncertainty of the Harbour development down the road from us. However we are going to use our education unit through the summer.

Our lovely flowers in and around the farm are blooming thanks to Sylvia and Ray who regularly maintain our flora!

Make sure to follow us on Facebook, Twitter, and Instagram (@dooniesfarm for the most up to date news around the farm.

We hope it's a good summer and the sun shines (for more than a day or two!) Please also keep an eye out for fun days and competitions that will be happening throughout the summer!

**New opening times:
1st April- 25th October 10am-4.30pm
(seven days a week)
Closed from 26th October- 31st March**
