Loirston Annexe Update

Summer is upon us and many of the Annexe groups are taking time off during this holiday period. It's been a very busy few months for the management committee. The lights in the toilets are now up and working again; the buzzer system is helping with security but the boiler is still not working as it should, however, rest assured the management committee are liaising with their landlord to get this resolved. I shall keep you posted.

We have now received three quotes for a complete repaint of the interior of the building and this will be discussed at the next management committee meeting. The building is in real need of a tidy and once we have appointed a contractor, we'll be in touch with all the groups to seek some volunteers from each to help with removing items from the walls.

Facilities Manager/Janitor

As you'll be aware, the Annexe is run by a group of volunteers who make up the management committee. As safety is paramount, we're looking to hire a part-time facilities manager/janitor to work in the Annexe and a job description can be found in the Cove Chronicle. Please get in touch if this is of interest to you.

Litter

It's really disappointing to see such a huge amount of litter, after football games on the adjacent pitch, left on the grass area and car park of the Annexe. There have literally been 100s of plastic bottles, crisp packets and sweet wrappers strewn across this area. **If you have litter, use the bin!!** Our volunteers are not responsible for cleaning up the mess.

Staffing

Please remember that our administrator is currently on maternity leave so if you eMail the Annexe it may be a few days before you get a response.
