

Proposed Nigg Harbour Development

Nigg Bay Development Framework: Aberdeen Harbour has continued to progress its proposals for a new harbour at Nigg Bay and this led to the Proposal of Application Notice (PAN) which was submitted to Aberdeen City Council on 6th July 2015 to start the consenting process. The formal pre-application stage prior to the submission of applications for Planning Permission, a Marine Licence and a Harbour Revision Order has commenced and over the coming 3 months will seek the opinions of the public on these applications.

There will be a series of public exhibitions:
