

63rd Aberdeen (Cove Bay) Scout Group

The Cove 'Scout Group' has been on the go for coming up for over 36 years and there must have been in excess of 700 Beavers, Cubs and Scouts taking part in our programmes.

Number One feature of Beaver, Cub and Scout programmes is that they include FUN.

Are you one of those who were once in Scouts and had fun - on a hike, an outing, at a weekly meeting or at a camp or sleepover?

Have you learned a new skill, have you met new friends, has your path in adult life been affected by your 'Scouting'.

Is now the time to 'put something back.'

At the last meeting of term for the Scout Troop Alistair Gilmore was presenter with an Award of Merit in recognition of the work he has put in to, not only the Scout Troop, but other roles in the Group. Alistair has been invaluable to the Troop. His place has been taken by Ross his eldest son who has been working in the Beaver section since gaining his appointment. Alistair's middle son Jack is also a warranted leader with the Cub Section. After 12 years in the 63rd Jack has to leave to continue his education at Stirling University. Good luck Jack Could you give us 2 hours a week of your valuable time to help the youth of Cove?

The ability to run an exciting programme is limited by the number of Leaders available to deliver the programme. With the loss of a Leader in each of the sections we are now in desperate need of assistance in Beavers, Cubs and Scouts. Can you offer any help ?

Are you a new person into the area who would like to help in the community?
