**However Just £25 Will Make Christmas Special For
ONE Of Our Befriended Children**

Christmas can be an especially hard time for our supported children. While you and your family sit down to a traditional meal, the young people we work with will not have crackers to pull or a stocking full of gifts. So we recognise how important it is to make an extra special effort to bring a smile to their faces during the festive period.

£25, or whatever you can afford, can help us do just that!
