

‘Doonies Claik’

Well, anyone passing or visiting the farm recently will see that the long black shed has gone. This is the place where our new educational unit will go and having now secured the grant, we are busy applying for planning permission and building warrant which we understand we require.

While the farm is only open at the weekends over the winter we will get on with all the work. The visitors to the farm have been really excited by the news and we look forward to lots of activities being able to take place once we are up and running.

Santa is coming to visit Doonies on the 18th December from 10-2pm.

We can't promise snow but Santa and Mrs Claus will be there with their post-box to let the boys and girls post their letters so why not come along and visit us on that the 18th and speak to Santa. We look forward to seeing you all there. Who knows what surprises there might be in store!

Best wishes and thanks to everyone who has supported us and our good wishes for 2012.

From all at Doonies.

Coast Road, Cove, AB12 LT
