

Doonies Claik

Good news for Doonies! Our Longhorns have been judged in the Northern Longhorn Breeders competition for best in breed, hopefully Graham will have good news later in November.

We have also found that our Eriskay pony Rhona is in foal and due around April. Our new rams have been busy boys and hopefully we will have a fine crop of lambs come March!

Soon we will welcome a new addition of a registered Tamworth Boar, who will hopefully get on with our sow Ruby. He is coming to us from Bill Quay Farm in Newcastle. This farm has also bought one of our Longhorn bulls.

One other new addition is Binky. Binky is a White Park calf and is being hand

reared. She is one of twins, her mum could not feed/would not feed her. She is really cute and if you come to see her you may get the chance to feed her!
