

Nether Loirston Growers

To finish our growing year we had an end of season BBQ which was enjoyed by all. The fine weather held out and we were able to plant daffodils and crocuses, supplied by Aberdeen City Council, at the edge of the grassy area beside our Allotment site.

Further work has been done to increase our rainwater water storage from the steading roof. We have taken delivery of another load of compost from Keenan's recycling. Thank you to E.I.S for kindly sponsoring its delivery. Looking forward to Spring!

NLGA would like to extend a welcome to residents in the new Charleston homes. Please get in touch if you would like to discuss growing space at our Allotments which are sited behind Altens Community Centre.

*Wishing you a Merry Christmas and a
Happy New Year from The Growers!*
