

# Altens Community Centre

**A personal view from Brian Allan, the Chair of Altens Community Centre.**

The excitement is building – we're turning our thoughts to Santa delivering surprises and celebrations. **Our Christmas Carol Celebration is on the 21st.** I promise not to sing out loud so as not to spoil things. Hope to see you there.

May I wish everyone at the Centre who has given much time and effort a very Merry Christmas and a Happy New Year. Also, those who have supported us in whichever way they could and to our users. I'm looking forward to a busier Centre next year and would be glad to try and deliver on any new ideas that you may have.

As a result of some success in our applications for funding we have started our computer classes for beginners. The sessions are going very well at the moment

and the early feedback is very positive. We are planning to introduce an internet cafe so that learners have an opportunity to keep up their new found interests / contacts on the web. If you're interested in either joining our classes or using the cafe then please give the centre a ring to get more information on how to book.

The Board are continuing discussions with Aberdeen City Council regarding the Lease of the building and the Management Agreement. There are very few issues that remain but we are still seeking clarity on what responsibilities and costs we will be taking on. There has been a flood of activity between the Board and Council officers over the last week or so in an endeavour to have this resolved before the year end.

**Contact the office for more details and to find out what's available. Remember – we want to hear what you want from your Centre. Tel 01224 896798 or email [altenscc@gmail.com](mailto:altenscc@gmail.com). The office is covered between 9am and 5pm. Monday– Friday**
