The Cove Gala Committee wish to thank two long serving members of the Committee who have regrettably decided to “hang up their hats” and resign from the committee. Both Brian Dean and Raymond Clark, have year on year been fundamental in the organisation and success of the Galas over the past 25 and 26 years respectively. The Committee and the local Cove Community thank Brian and Raymond for their support and dedication to the annual event and wish them both all the very best for the future.
