

Aberdeen City Council Ranger Service

Friday 17 January – 10am-3pm Kincorth Conservation Volunteer Day Kincorth Hill Local Nature Reserve

Here's a great opportunity to get yourself and our lovely Kincorth Hill Local Nature Reserve into shape.

Help the Rangers protect beautiful heather habitats by cutting down invasive gorse and broom. If we can get a fire going we will burn the cut material on site and have a lunch time treat of baked potatoes and roasted marshmallows. Gloves, tools and hot drinks will be provided but please dress warmly and wear wellies or sturdy foot wear and bring a packed lunch.

Meet at the Reserve car park at Abbotswell Crescent. The No.18 bus stops next to the car park.

For more information and to book a place call 01224 897400.

Local Nature Reserve Committees

Each of our four Local Nature Reserves, Den of Maidencraig, Donmouth, **Kincorth Hill** and Scotstown Moor has a committee made up mainly of **local people with an interest in their local reserve**. These committees help to shape how the sites are managed and can help to feed information to and from the local communities. The committees meet three times a year in the evenings, twice with indoor meetings and once with a site meeting where projects, management work or other issues can be discussed and resolved as necessary.

If you have an interest in any of these sites and would be prepared to contribute some time to becoming a member of one of these committees

***Countryside Officer Ian Talboys would be pleased to hear from you
either by phoning 01224 897400***

or email lochinch@aberdeencity.gov.uk

No previous experience is needed just an interest in what happens at
