

Doonies Rare Breeds Farm News

It has been a lovely, warm, and busy summer for the farm with lots of visitors and School groups coming in. Farmer Alice has been occupied with her Grayface Dartmoor sheep and their lambs that they had in February. Alice decided to enter Dodger her tup at the Scottish Smallholders and growers Spring gathering festival which took place in May at Thainstone Mart. Farmer Graham was competing against her with his two Tups and a Kerry Hill ewe. They both returned with great results winning two champions, reserve champion and interbreed champion. All their hard work paid off!

In September the Lennox's went to Melton Mowbray in Leicestershire to buy some new stock for the farm. We bought a new breed of pig, which is called a Welsh, and her name is Dainty Girl. She is currently pregnant and is expecting in December.

We are hopeful our café will be up and running next year, planning permission has finally been granted-fingers crossed. We have a lot of work ahead at the farm over the winter months and a few projects that we are working towards. We do hope the weather conditions are not as wet as last year!

The Lennox Family wish everyone a very Happy Christmas and New Year!

New opening times

November/ December CLOSED

Weekends only January – February 10.00-3.00pm (Depending on weather conditions)
