

COVE GALA 2015 UPDATE

Each year, as part of the gala preparations, the committee spend a considerable amount of time arranging essential services for gala day such as the hire of portable toilets, industrial bins, a stage with a tanoid system, tents, boundary ropes and tape, to name just some. In previous years Aberdeen City Council have been very supportive both with the arrangements and the funding of such services, however unfortunately due to financial cuts in the Council the grant assistance will be limited for the 2015 gala, if available at all.

As a result of this and as the Gala is a non-profit making event, we are seeking the generosity of our local business owners to provide support on gala day by providing such services. If you or your business can contribute in any way by sponsoring or providing these services, please contact the Chair of the Gala Committee.

Contact Dawn Penny on **0777 283 6632**.

Please remember the gala can only go ahead and be another great success if we continue to get the support of the local community and businesses.
