So far this session has been great with new members and lots of interesting activities and talks . We only have two more meetings before Christmas break . There will be a craft afternoon and then our Christmas Party . We also have a couple afternoons booked for the Aberdeen City Council events at the Beach Ballroom . The Christmas lunch on the 8th December is now fully booked but there are still tickets (£7) from Aberdeen Box Office for the Tea Dance at the Beach Ballroom on the 10th December.

I would like to thank Loirston School and the staff for all the support over the past year .Our new session starts on the 13th January at 2pm . We have a full programme organised and will be delighted to welcome new members . Wishing you all a very Merry Christmas and look forward to a healthy and happy New Year. For further information
