

## Loirston 50+ group.

The group has been meeting over the past few months and continues to attract new members. Sadly one of our ladies passed away and our thoughts go to her family.

We have had varied activities the past few months and the most recent, a great demonstration on Cake Decorating which was well received.

The next two events will be related to Christmas and we will also be attending the Aberdeen City Council Xmas Dinner at the Beach Ballroom.

The 15th December is our Christmas Party and then we will be closed for the Festive season. Re opening on the 12th January.

*Wishing everyone a very Merry Christmas  
and a Happy and Healthy New Year*
