

Nether Loirston Growers

Now that we are almost at the end of the 2015 growing year, we have been looking back at our activities and achievements. The weather was mixed again but the yield from our efforts has provided a huge amount of tasty and fresh from the ground vegetables and fruit.

This is the first year that Jane has been growing fruit in our sponsored plot to make jams and preserves which are sold to raise funds for charity.

We took part in the Cove Gala selling plants and we are pleased that our input to the Gala each year is contributing to the wider community in Cove and Altens.

This year we were delighted to be recognised by the Beechgrove Garden producers and we had an enjoyable day filming onsite to be part of the programme that was aired in July.

We were recognised nationally by achieving “Outstanding” by the Its Your Neighbourhood Awards judges and we were also part of the Cove in Bloom and Aberdeen City’s entries in the Keep Scotland Beautiful Awards and Britain in Bloom.

We have a very supportive group of allotmentees who are willing to help each other out and to share their knowledge so others can improve their gardening skills.

Our Annual General Meeting will be held in January when the committee for the coming year will be elected and we would

welcome anyone interested in taking on a plot to come along.

The date and venue has still to be confirmed, but will be publicised locally in the near future.

Please get in touch with us and we will be happy to take you round the Allotment site and answer any questions.

Andy Dalziel and Bill Beattie accept the Its Your Neighbourhood Awards “Outstanding” Certificate on behalf of Nether Loirston Growers Association at the awards ceremony in Stirling.

*NLGA wishes everyone
a Merry Christmas
and a Happy New Year!*
