Update from Cove Bay and Kincorth Medical Centre November 2015

Changes at the Practice

Peter Mackinnon, one of our Nurse Practitioners, has now left the practice. Peter really enjoyed his time at the practice and was well liked by patients and colleagues alike but is looking forward to spending more time with his family.

Festive Opening Times at the Practice

The Christmas and New Year period is once again just around the corner.

We will be closed from 6pm on Thursday 24th December and reopen again at 8am on Tuesday 29th December.

We will be closed again from 6pm on Thursday 31st December and will reopen at 8am on Tuesday 5th January 2016.

Please try to ensure that all requests for repeat prescriptions and review appointments are made outwith this potentially busy period.

Registering with a Practice – Have you moved within our Practice Boundaries?

New patients who wish to register with us can now complete a **registration form online via our practice website at www.covebayandkincorthmedical.co.uk**, print it off and take into the practice to start the process or you can click onto this Practitioner Services link www.psd.scot.nhs.uk/doctors/registration-with-a-practice.html and launch a copy of the application form, complete it online, print it off and take it into the practice to register.

Annual Winter Flu Clinics

If you are 65 years or over or have one of the eligible medical conditions you may be eligible for a free flu injection - please call the surgery any morning after 10 am to book in for your flu injection appointment.

Shingles Vaccine

There is now a vaccine for shingles. The vaccine reduces the chances of you developing shingles, and even if you do develop shingles the disease is likely to affect you less severely. Only certain ages categories are eligible this year – If you were born on or between the 2/9/1944 to 1/9/1945 and 2/9/1936 to 1/9/1937 and you wish to also be vaccinated for Shingles please advise when you are booking in for your flu injection.
