

Doonies Rare Breeds Farm News

We had a very busy two weeks during the October holidays, with lots of families coming to the farm. The sun was out and it was dry at least.

Farmer Graham is now busy with the winter feeding, it's always a sign when the first bale of silage is opened that winter is fast approaching, even the pigs are snuggling down with their warm beds of straw.

We have many winter jobs around the farm to complete, including the chicken coops to make them fox proof. We have a new addition to the Lennox family another Beardie Collie called Archie and

our Eriskay foal Niall has two play mates to keep him company.

That's about all our news folks for this year; we hope to see more visitors to the farm when we open in April.

Once again the Lennox Family would like to thank the public for all their continued support.

May we take this opportunity to wish you all a very Happy Christmas and a prosperous New Year
