

63rd Aberdeen (Cove Bay) Scout Group

The Purple Pinkie event planned for November was moved to December and the sum of £167 was raised and a cheque for £170 was sent to St Nicholas Rotary Club to help rid the World of Polio.

There is a serious need for an additional leader in the Cub Pack. A parent rota has been introduced but the need is for a leader who would be prepared to undertake training – not onerous – and all training is paid for by the Group and there will be help throughout from the other leaders.

There are places for girls and boys in all 3 sections in Cove
