JOIN THE CHILDREN'S PANEL. IT'S LIFE CHANGING.

Some children are vulnerable and need support. On Monday 9th January 2012, the Aberdeen City Children's Panel Recruitment Campaign to find new Panel members was launched in conjunction with the National Campaign. By volunteering for the Children's Panel you can help neglected, abused and troubled children to get their lives back on track.

The Aberdeen Children's Panel is looking for people over 18 from all walks of life. No formal qualifications are required, all we ask is that you can listen, understand and make a decision that will improve a child's life. All you need to do is give your time,

as getting involved won't just change a child's life, it'll change yours too. New recruits receive full training before they undertake duties.

Local Information meetings have been organised and will be held in the Town House, Broad Street, Aberdeen on the following dates at 7.00pm; contact required to book a place.

Monday 23rd January
Wednesday 8th February
Tuesday 14th February

If you believe you have the ability to listen and make decisions, then we want to hear from you.
