

## CONGRATULATIONS TO THE PHOTO COMPETITION WINNER OF 2011

**People Winner: Dawn Ramsay**

**Grampian Fire and Rescue Service and the partners of Aberdeen Community Safety Partnership launched a photography competition open to all amateur photographers.**

The Partnership aim was to encourage amateur photographers to take photos of Kincorth Nature Reserve and Tullos Hill to help people to see more of the beauty that is on their door step and

encourage a better appreciation and use of the locations.

The initiative was part of a wider partnership approach to reduce wilful fire raising and antisocial behaviour with a view to safer communities to be enjoyed by all.
