We hope everyone has had a good festive period. Training sessions have started up again for the 4v4's and 7v7's and the 11 sided teams are back into to the swing of things in their leagues. Hopefully the weather will not hamper any of the matches too much !

The individual skills sessions have been a great success with players from 2001 – 2006 taking part in learning various skills which they have been implementing on the pitch. It's great to see the kids pulling a Fabregas or a Rooney while in the middle of a game. Many thanks to Brian Johnston for organising and taking skills within Cove Boys to another level.

The North Loirston Football Pitch has been forwarded to the next stage with the Council and hopefully a Lease can be drawn up and approved in the next

few months. This is very exciting for the club and will ensure we can have more Super Sunday's which is just superb fun for the kids.
