

COVE IN BLOOM

Cove and Altens Community Council

Thanks to the dedication of volunteers and schools within the Cove and Altens community, supported by David Penny of Cove Nurseries and Aberdeen City Council, Cove in Bloom has progressed over the last few years. Receiving an “Outstanding” in the 2012 It’s Your Neighbourhood” awards. Cove in Bloom now qualifies to enter “Britain In Bloom”.

A group from the local Gardening Workshop have come forward with a three year plan to try and bring even more colour and vibrancy to the Cove area, stating:-

“We want to make Cove in Bloom something the whole community is

involved in and something residents can be proud of”.

These ideas include the addition of large planting tubs throughout Cove and Altens, hanging baskets to brighten up the local area and even large scale concepts such as artistic projects for the area.

If you are part of a company or social group who feel they could contribute to the aims of Cove in Bloom or even if you think you may have some spare time to take on a small or individual project in the area.
