

A quick update from the Haar Rock Coffee team.

We are working hard towards a February opening of Unit 2 at Loirston and after 3 months at Charleston we wanted to let you know about some of the things we've done so far from a community perspective:

Loirston Primary 5s got new football kits and jackets presented by Adam Rooney
Tracksuits for Cove Youth FCs 2007s
Calendar sponsorship for the new astro pitch development
Secret Santa for kids group, Xmas Fayre & Cash for Kids
Family Halloween Night
Several donations to local groups for fundraising events

We have dedicated some of our advertising revenue along with a net profit % to charity and local initiatives and we are working with Friends of Anchor and

the Aberdeen FC Community Trust to support their fund raising efforts.

We have also brought some healthy options to the shops via our relationship with UK Fitness Food bringing something for everyone.

We are looking for your input / suggestions into what we can do directly within Cove / Altens that is realistic for us to support and make a difference. One simple suggestion has been to improve the look around the Loirston units and perhaps get a path between the doctors surgery carpark and the shops. We will pick two or three of the best suggestions and will keep everyone informed on our pages and within the shops.

We are also making both shops available for a nominal fee for any local groups, sports committees and charity groups for meetings. We have already hosted some company board meetings as an example for local businesses providing catering and an alternative meeting place.

By way of thanks to everyone for your support so far we are extending the loyalty card discount deadline to 31st May 2017 and will shortly have available an exclusive offer for a limited 200 new loyalty cards to celebrate the opening of Loirston.

For any suggestions, meeting requests, advertising opportunities or general queries just e-mail us or pop in past
