

CHARLESTON SCHOOL NEWS

We are delighted that Charleston School has been nominated for two categories in this years Scottish Education Awards. Even better in the Health and Wellbeing category we have been shortlisted and included in the final 3 schools, the only Primary in Scotland! The awards ceremony will take place in Glasgow on Tuesday 12 June 2012 and a group of children, staff, parents and other partners will be travelling to Glasgow to represent us. This category recognises schools and pre schools that are developing a holistic approach to health and wellbeing of children and young people, involving knowledge and understanding, skills and attributed necessary for mental, emotional, social and physical wellbeing. We are keeping everything crossed!

Another healthy initiative took place on Sunday 13 May. A number

of staff and parents supported the annual “Bling Fling” 10K walk along the Deeside railway line. Although it was a very cold and blustery day everyone had a wonderful time and particularly enjoyed the pampering treats in the Winter Gardens at the end of the walk. Thank you to everyone who supported the school team and well done to all who took part.

Earlier this term we had our annual book fair which was very ably led by P4 and P6 pupils.
