

A big thank you to you all in the Cove Community for all your involvement and giving during Christian Aid week, 13-19 May 2012.

The proceeds from the quiz night, coffee stall, Cove Seniors' bring and buy, donations and other giving comes to over £900.

Much fun was had at the quiz night led by Elizabeth Bostock on the Jubilee theme. The Queen herself would have enjoyed it!

We went from sunshine to hail storms at the coffee stall but it did not deter us! Lots of good chats were had; a highlight was a visit from some of the Glasgow office Christian Aid staff along with the head of Christian Aid in Malawi. We look forward to him being back in Scotland next year as he is a very engaging person with so much to share about his work there.

Another highlight was a number of Cove children visited our stall, had juice, asked a lot about Christian Aid's work, absorbed what we were sharing with them and then donated in the tin from their pocket money. One of them said "It's good to help in the world where so many people have so little." That's what we're all about.

Thank you!
