Telephone **01224 897235** for more information and availability.

See the Loirston Annexe Update for more information

Loirston Annexe Update

Your Loirston Annexe Management Committee has continued to work hard over the last month to ensure that it's very much 'business as usual' in the community centre.

Childrens' Diamond Jubilee Party

We applied for funding from Aberdeen City Council to allow us to host a children's Diamond Jubilee Party and we're delighted that this has been granted. We plan to host a childrens' Diamond Jubilee disco from 2-4pm on Saturday 16th June in the Annexe; suitable for children up to P7. There'll be music, games, goody bags, a celebratory cake, balloon modelling and even a café for the parents to sit and relax in while the children are being entertained in the hall. As there's a capacity limit for this event, please eMail loirstonannexe@yahoo.co.uk stating how many places you require and the age of the children attending. Places will be issued on a first come, first served basis.

New Classes

Your Management Committee has been looking at attracting new classes to the Annexe and on the table, we have – PC for Beginners, Thump Boxing classes for women, Baby Sensory (and possibly Toddler Sensory) and more. Is there anything we've missed that you'd like to access? Do you want to host a class or initiative yourself?

Loirston Annexe Website

The new website should be finalised in the next few weeks and will keep you informed with what's happening in the Annexe, including when any new classes are confirmed, how to book the facilities for birthday parties and other celebrations and provide you with links to other organisations.

Car Park

The car park continues to be a real concern to users of the Annexe; the pot holes appear to be growing on a weekly basis. Rest assured that this is one issue which the Management Committee are keen to resolve as quickly as possible with Aberdeen City Council before any serious injuries occur.

Programme of Events

We have listed the most up to date programme of events in this month's Cove Chronicle and we'd be delighted to welcome you to the Annexe to utilise some of these

Seona Shand

Chairperson
