

## **Loriston school continued**

forward to having them connected up this term.

As we look on to this term we will be looking at transition both into the school from Nursery and out of the school to the Academy. Plans are well underway with regard to this and I am sure all pupils will have a positive experience as they move on.

Also this session we are looking forward to other upcoming events. As the Olympics approach the UK we are looking forward to our own mini Olympics here at Loirston which will form our Sports Day this year. Plans are being formulated at the moment and we look forward to a very successful event in June.

The school are also looking forward to taking part in the Gala Day alongside the community at the beginning of June. We will also have the “Posh Night Out” for Primary Seven pupils will be held at the Thistle Hotel in June. This has been organised each session for a number of years and the Parent Council, staff and pupils are very grateful for the efforts and generosity of the hotel.

Overall there are lots of plans for this term and before we know it, it will be the summer holidays. Therefore at this point on behalf of the staff and pupils here at Loirston School I would like to thank all in the community for their continued support over this session, we really do appreciate all your hard work and efforts to support us.
