Our ten planters that were provided and positioned by Aberdeen City Council are now in place around Cove and Altens, and those of you who live near them and agreed to look after them – a big thank you! They were

painted and planted up by the teams from Maersk Oil UK Ltd, and are looking good. We already have sponsors for some of the planters and for some of the Community Flower Beds. Persimmon Homes had a photo opportunity with their sales advisor Danielle, Jim and Wendy for the bed at the junction of Langdykes Road and Earnsheugh Road (better known to us as the Sally bed) showing the plants donated by Cove Bay Nursery.

Thanks also go to the Greenbelt Group, who sponsored the two planters at the

entrance to Charleston Avenue; Bothiebrig Garage, whose planter is beside Loirston Annexe; Stewart Milne Homes, who have the planter at the corner of Langdykes Road and Coast Road; Cove Bay Hotel who sponsored the two planters in Old Cove and last but not least Mr Penny of Cove Bay Nursery who continues to kindly donate and supply numerous plants for our flower displays. More sponsors are needed, so if you work in Cove and Altens and think your employers could contribute let us know. We also have sponsorship by way of plants and supplies for the hanging baskets from Dobbies, on the Lang Stracht, and these are being planted up as I write – they should be in place by the time you read this, and I hope you think the Annexe and the entrance to Cove are both looking good with their hanging baskets in place. Other baskets are planned for a site in Old Cove, and if you want basket/s for the front of your house, if you can display them in a conspicuous position for the benefit of the village, contact us at Cove in Bloom.

We have plans for a sponsored walk to celebrate Cove Bay's history, and raise funds for a statue, a mosaic, and more. If you are interested in taking part get in touch. Don't forget you can contact us on the phone number or email shown above, meantime.....
