

On our Doorstep

We are very lucky in Cove to have many and varied local walks and places of interest which can be enjoyed at all times of the year. Light evenings give the opportunity to explore what is around us. We have stunning coastal views, the historic value of Old Cove and the harbour, Doonies Rare Breeds Farm, woodlands and the Loch of Loirston. If you venture up onto the Kincorth Local Nature Reserve, from the view-point you can see right over the city taking in Deeside and the mountains beyond.

Community Centres

Altens
Community
Centre and
Loirston
Annexe are

buildings leased from Aberdeen City Council and run by volunteer Management Committees. Without these volunteers Cove would be a poorer place to live in. Both Centres need more **Committee Members** to come forward with Altens, (896798) also looking for a **Minute Secretary** and Loirston Annexe (897239) a **Treasurer**. Do you have an hour or two to spare? Can you help?
