

107 (ABERDEEN) SQUADRON AIR CADETS

Two members of the Aberdeen Modellers Society spent an evening talking to the cadets about model making and the detail they go into to end up with excellent examples of aircraft that they brought along to show. Between them they have many years of experience and instead of just glueing and painting a model they take it to the next level by installing lights and other examples of customisation.

The Squadron will be buying enough Spitfire model kits for each cadet to practice with a view to them developing their interest and skills.

At our quarterly OC's Review, Flight Lieutenant Garry Donald presented numerous awards to cadets in front of their parents. Two new cadets were also enrolled into the ATC by our Chaplain.

The Squadron participated in the Wing Athletics competition at the Aberdeen Sports Village and came away with one First and four Seconds as well as the Victor Ludorum trophy for the highest scoring cadet in the over 17 year category.

Flight Sergeant Stavlon Carvalho has recently passed his Commissioning Board and will become the second officer in the current Squadron staff. He has been with 107 Sqn since 2001 when he joined as a cadet before progressing on to adult staff. His current role is the Squadron Training Officer.

107 (Aberdeen) Squadron is currently recruiting cadets aged from 13. Contact the Squadron for more information on: **01224 590679** (Mon & Wed Evenings) or visit our website **www.107aircadets.org**.

We are located at the Prince Charles Cadet Centre, Albury Road, Aberdeen.
