

Loirston Annexe Update

Car Park Plea

Now that summer is upon us, the football field beside the Annexe is being used more often. As a result, many parents are using the Annexe car park as it's close by. Unfortunately on occasion this is at the same time as some groups use the Annexe which means that the car park fills up with no space for those dropping off and picking up from the Annexe. It was also noted that a few cars were parked on the grass area beside the football pitch.

We aim to be good community citizens but I would ask parents attending football games to refrain from using the Annexe car park on nights when it's clearly being used by centre groups. Some Brownies were in distress because their parents weren't able to access the building and had to revert to simply abandoning cars as a result.

Could you also please refrain from parking on the grass area beside the hedge at the football field. As a group of volunteers, we are responsible for looking after this area and there's a cost associated with that. The worse condition it's in, the more it costs. The more it costs, the less we can reinvest in the Annexe itself.

We will review the situation over the next month and I shall keep you posted if we need to tighten up on procedures but your help in this would be much appreciated.

Improvements

We continue to work with the City Council on making improvements both inside and outside the Annexe but these things take time. You'll notice we now have disposable aprons in the disabled toilet along with disposable gloves and nappy bags for use by some of the groups.

We'd ask parents of those who require to use the baby changing facilities to please ensure all nappies are placed in nappy bags before being disposed of in the correct waste unit.

Volunteers Required

My thanks, as always, go to the Management Committee who have worked tirelessly and thanklessly over the past few years to keep the Annexe up and running. We firmly believe that the Annexe is run by the community for the community. Our AGM will be held in October and we really need some additional volunteers to get involved. It's only a few hours every second month, plus any additional time you're happy to give. If you'd like to get involved, please Email me at hi5seo@hotmail.com.
