

Nether Loirston Growers

We are now into another year of digging, planting and weeding!!! And we have welcomed some new plot holders to our band of happy Allotmenters.

A lot of hard work and effort by our Allotmenters is resulting in our site looking very productive and well looked after.

We are looking forward to our first crops in a few weeks and we are already harvesting rhubarb.

Opposite, Mr Pirie gives the Charleston Allotmenters a lesson on seed planting.

We are also preparing for our stall at the Cove Gala by potting plants for sale and we look forward to meeting and chatting with you on 11th June so, please come along and support us as all the proceeds go to the Gala committee for the benefit of the wider community.

If you would like to visit our site or want to find out more about what we do, please get in touch.
