

Doonies Rare Breeds Farm News

Down on the farm we have had a busy time with lots of visitors over the Easter holidays, despite the rain, sun and sleet showers.

Lambing is finally over and all the sheep and lambs are out and about in the fields. We only have two pet lambs to feed called Craig and Heather named after a reporter and photographer who came to the farm to take photos, of course they were both delighted to interact and bottle feed the lambs.

We are currently extremely busy with school groups visiting the farm right through until the end of May. Hopefully the conditions will improve and the sun will eventually appear, for all our school

visits.

We hope to be hatching some chicks and ducklings in time for the school summer holidays.

That's all our news for now folks;

The Lennox Family
